

WEST TEXAS CAMPS & RETREATS PRESENTS

# ASD ADVENTURE

A FREE SUMMER CAMP FOR YOUTH WITH AUTISM SPECTRUM DISORDER

For Boys & Girls Ages 11–17 | Autism Spectrum Disorder

JULY 21–24, 2026 | Circle Six Baptist Camp | Lenorah, Texas

## Your child belongs at camp.

ASD Adventure is a fully scholarship-funded, residential summer camp experience built specifically for youth on the autism spectrum — where the environment is adapted, every camper is known by name, and every child gets to just be a kid.

### ONE-ON-ONE BUDDY

Every camper is paired with a dedicated volunteer Buddy for the entire week — a consistent, familiar face for every activity, meal, and transition.

### SENSORY-FRIENDLY

Lower sound levels, quiet spaces, fidget tools, and flexible participation options. We plan ahead for sensory needs — so your child can truly enjoy camp.

### ASD-INFORMED STAFF

Every volunteer attends orientation led by an autism professional. Our team doesn't just care about your child — they understand your child.
